Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for complete street improvements on West Kentucky Street in the city of Louisville, KY. The entity to receive funding for this project is the Louisville Metropolitan Government located at 527 W Jefferson Street, Louisville, KY 40202.

This project would make complete street improvements to West Kentucky Street between 7th and 9th Streets, to 8th Street between Zane Street and Kentucky Street, and to 7th Street between Zane Street and Kentucky Street in Louisville, KY. Work will include adding bicycle infrastructure, improving pedestrian crossing areas and sidewalks, and improving traffic signals. This is a valuable use of taxpayer funds because it will make this busy intersection safer for travelers in every mode of transportation - especially for those on foot and on bicycles.

The project has a Federal nexus because the funding provided is for purposes authorized under 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey  
Member of Congress
